**STARMARK
ACADEMY™**

FOR PROFESSIONAL DOG TRAINERS

Starmark Academy for Professional Dog Trainers is a state approved trade school that offers certification in the science of dog training.

Our unparalleled curriculum is a combination of in-depth lecture and hands-on training using a wide array of scientifically proven techniques and includes: learning theory, basic and advanced obedience, behavior modification, dog sports, kennel management, business, puppy selection and socialization, personal protection, police, tracking, and more. Unlike popular home study courses, at Starmark Academy you are immersed in a training environment.

You receive supervised hands-on learning with immediate feedback from experienced instructors. Not all dogs are alike, so we teach multiple methods to equip you to handle a variety of training issues. You will also work with rescue dogs, giving you real-world experience with dogs of varying temperaments. Our well-rounded approach thoroughly prepares you for a future career as one of the country's best professional dog trainers.
